

**DETAILED TOWN PLANNING SCHEME  
FOR WARD No. 13(P) OF KOZHIKODE  
CORPORATION**

**DRAFT**

July 2024

**Office of the Joint Director – Annex 2, Kozhikode  
Local Self Government Department Planning**

## **4.6 RESERVATION OF LAND AND ZONING**

### **4.6.1 ZONES AND REGULATIONS**

1. For the implementation and enforcement of the proposals envisaged in this scheme, the areas have been reserved under various categories as listed below.
  - a) Area reserved for Commercial Use
  - b) Area reserved for Mixed Use (Residential/Commercial)
  - c) Area reserved for Public and Semi Public Use
  - d) Area reserved for Religious Use
  - e) Area reserved for parking plaza
  - f) Area reserved for proposed roads or widening of existing roads
  - g) Area reserved for Pond
  - h) Area reserved for TOD Zone
  
2. Uses “permitted” in a zone cover the uses that can be normally accommodated in the relevant zone. Such uses may be permitted by the Secretary. In some cases, it may be possible to permit some other uses also, which are not likely to affect the quality and environment in a zone specified for a particular use. Such cases have to be individually studied based on their performance characteristics and special locational factors. Such cases which come under this category are classified as “Uses Restricted”. Restricted-1 category deals with the uses that shall be restricted by the Secretary with the concurrence of the Town Planner of the District office of the Local Self Government Department (Planning). Restricted -2 category deals with the uses that shall be restricted by the Secretary with the concurrence of the Chief Town Planner of the Local Self Government Department (Planning).
  
3. Zoning regulations are not intended to prohibit existing uses that have been lawfully established prior to the enforcement of these regulations. All existing uses and legitimate constructions there every zone shall be permitted to continue.
  
4. If any portion of a zone is put to use which is not included in the permitted or restricted category as above before the sanctioning of the scheme, such use shall be termed as a non-conforming use. A non-conforming use may be allowed to continue in its existing location and essential repairs and maintenance for the structure may be permitted by the secretary, provided that the said use creates no adverse environmental influence in

the zone. Addition, alteration, or reconstruction, if found necessary as part of any mitigation measures may be permitted for such uses by the Secretary with the concurrence of the District Town Planner, the Local Self Government Department (Planning). The total built up area of such non confirming use shall not exceed 1.5 times the existing built up area.

5. Any use not specified either in the “uses permitted” or “uses restricted” category of a particular use zone, but which is of a similar nature to any use permitted or restricted in that particular use zone, can be considered by the Secretary, with the concurrence of the District Town Planner of the Local Self Government Department (Planning) having jurisdiction over the area.
