**Local Self Government Department (Planning)**

**Kozhikode District**

## **CHAPTER 4. DTP SCHEME FOR WARD NO.13 (PART) OF KOZHIKODE CORPORATION (REVISED) – SCHEME RULES**

### **4.1. TITLE**

This scheme may be cited as the Detailed Town Planning Scheme for Ward No.13 (part) of Kozhikode Corporation (Revised).

### **4.2. DEFINITIONS**

In this scheme unless, the context otherwise requires:-

- a) “Act” means the Kerala Town and Country Planning Act 2016 (Act 9 of 2016).
- b) “Building Line” means the line up to which the plinth of a building adjoining a street or an extension of a street or a future street may lawfully extend. It includes the line prescribed, if any, in a town planning scheme in force in the area beyond which no portion of the building may extend except as prescribed in the prevailing building rules.
- c) “Chief Town Planner” means the Chief Town Planner of the Local Self Government Department (Planning).
- d) “Date of Scheme” means the date of publication of the notice in the official gazette intimating the fact of sanction of the scheme by the Government under sub-section 6 of section 46 of the Act.
- e) “Government” means the Government of Kerala.
- f) “Map” means a map annexed to the scheme.
- g) “Responsible Authority” means the Secretary, Kozhikode Corporation.
- h) “Schedule” means a schedule appended to the scheme.
- i) “Scheme” means the Detailed Town Planning Scheme for Ward No.13 (part) of Kozhikode Corporation (Revised).
- j) “Street” means a private street or a public street, synonymous with road and giving access to more than one plot or one building.
- k) “Town Planner” means the District Town Planner of the Local Self Government Department (Planning) having jurisdiction over the area.

### **4.3. AREA OF THE SCHEME**

The revised scheme covers an area of 12.00 hectares of land, which is the same as that of the sanctioned scheme. The scheme is bounded by Mele Palayam road on the north, Annie hall road on the south, Madras Road in the east and railway station road and railway land in the west. The area to which the scheme applies shall be that within the inner edge of the boundary lines marked as the scheme boundary in the legend of the maps. Land assembly pertaining to the scheme is detailed in form II.

### **4.4. ESTIMATED COST**

1. An estimate of the total cost of the scheme is given in Schedule 5 in form VI. The estimate is liable to such revision as the responsible authority may consider necessary.
2. The executions of any works under the scheme are to be executed by the responsible authority or the Council or any other agency in such order at such time as the Corporation may determine.
3. The responsible authority shall have the power to specify any date or period within which the execution of any works under the scheme area to be executed by any authority, owner or another person as the responsible authority thinks necessary and expedient for the purpose of securing the development of the area without delay and ensuring the different operation of the scheme.

### **4.5. STREETS**

1. Subject to the provisions of the scheme, all streets mentioned in form III shall be constructed by the responsible authority or implementing agency concerned as shown in the DSN/04 map provided that reasonable modifications in the alignment of streets or in the layout of any portion of the area, may be made by the responsible authority with the approval of the Chief Town Planner.
2. No person shall build any wall or erect any fence or other construction or projection or make any encroachment in or over any land intended for use as a street or lane.
3. The responsible authority may permit the development of a sufficient and satisfactory system of drains and utility ducts along the public streets in the area affected.

## **4.6. RESERVATION OF LAND AND ZONING**

### **4.6.1 ZONES AND GENERAL REGULATIONS**

1. For the implementation and enforcement of the proposals envisaged in this scheme, the areas have been reserved under various categories as listed below.
  - a) Area reserved for Commercial Use
  - b) Area reserved for Mixed Use (Residential/Commercial)
  - c) Area reserved for Public and Semi Public Use
  - d) Area reserved for Religious Use
  - e) Area reserved for Parking Plaza
  - f) Area reserved for Proposed Roads or Widening of Existing Roads
  - g) Area reserved for Pond
  - h) Area reserved for TOD Zone
2. Uses “permitted” in a zone cover the uses that can be normally accommodated in the relevant zone. Such uses may be permitted by the Secretary. In some cases, it may be possible to permit some other uses also, which are not likely to affect the quality and environment in a zone specified for a particular use. Such cases have to be individually studied based on their performance characteristics and special locational factors. Such cases which come under this category are classified as “Uses Restricted”. Restricted-1 category deals with the uses that shall be restricted by the Secretary with the concurrence of the Town Planner. Restricted -2 category deals with the uses that shall be restricted by the Secretary with the concurrence of the Chief Town Planner.
3. Zoning regulations are not intended to prohibit existing uses that have been lawfully established prior to the enforcement of these regulations. All existing uses and legitimate constructions there every zone shall be permitted to continue.
4. If any portion of a zone is put to use which is not included in the permitted or restricted category as above before the sanctioning of the scheme, such use shall be termed as a non-conforming use. A non-conforming use may be allowed to continue in its existing location and essential repairs and maintenance for the structure may be permitted by the secretary, provided that the said use creates no adverse environmental influence in the zone. Addition, alteration, or reconstruction, if found necessary as part of any mitigation measures may be permitted for such uses by the

Secretary with the concurrence of the Town Planner,. The total built up area of such non conforming use shall not exceed 1.5 times the existing built up area.

5. Any use not specified either in the “uses permitted” or “uses restricted” category of a particular use zone, but which is of a similar nature to any use permitted or restricted in that particular use zone, can be considered by the Secretary, with the concurrence of the Town Planner.
6. All future developments shall be in conformity with the provisions of Kerala Municipality Building Rules, unless otherwise specified in this Detailed Town Planning Scheme. Also, provisions/regulations if any applicable under the Kerala Conservation of Paddy Land & Wetland Act 2008, Disaster Management Act, Archaeological Sites and Remains Act, Coastal Zone Regulations, Aircraft Act 1934, Environment Protection Act 1986 and any other applicable statutes as amended from time to time shall prevail over the respective provisions of this scheme.
7. Existing areas and structures of archaeological importance & religious uses may be permitted in all the zones and shall not constitute non-conforming uses.
8. Expansion of existing public and semi-public institutions to adjacent plots irrespective of the land use in which such adjacent plot is zoned for shall be treated as ‘uses restricted-1’ with the concurrence of the Town Planner. However, this provision shall not be applicable for land zoned as ‘Area Reserved for Pond’.
9. Silence Zone, as prescribed by the Noise Pollution (Regulation and Control) Rules, 2000 under the Environment (Protection) Act, 1986 and its subsequent amendments shall be applicable to the area under this scheme.
10. Every building shall be provided with an appropriate technique such as Pipe composting/Biogas plants/vermin composting etc. for processing organic waste at the source itself, unless centralized collection facilities are provided by any authorized agency. Proper drawings should be supplemented with the building permit applications to the Municipal Corporation.
11. Operational constructions as defined in Kerala Town and Country Planning Act 2016 shall be treated as permitted use in the scheme area.
12. Development of Metro Rail / Mass Transit System and all its allied structures/buildings shall be treated as permitted uses in the scheme area. The alignments of the proposed Metro lines indicated in the maps are tentative and may vary during implementation.
13. Disaster mitigation projects by competent authorities shall be permitted in all zones.

14. Transmission / telecommunication towers, wireless station, ATMs, water tanks and waste management units and public utility buildings / structures shall be treated as permitted uses in the scheme area, other than Area reserved for Ponds.
15. Irrespective of zoning regulations, buildings under Government approved schemes shall be treated as permitted uses in the scheme area. Projects of Central/ State Government, Local Self Government Institutions, Public Sector Undertakings and other Government Institutions may be permitted with concurrence of the Town Planner in all built up zones such as Area Reserved for Residential Use, Area Reserved for Commercial Use, Area Reserved for Mixed Use (Residential/Commercial), Area Reserved for Public and Semi Public Use, etc. if such uses are not included in the permitted uses or restricted uses as per the zoning regulations applicable.
16. Subject to zoning regulations of the respective use zones, more than one use may be combined in a building or a group of buildings within a plot, provided that the area of individual use shall be limited to that prescribed for each such use in the zoning regulation for the respective zone.
17. No constructions other than side protection drain covers, bridges, culverts and essential protection works are permitted in drains in the scheme area. Also no constructions shall be made obstructing the flow of natural drains in the scheme area.
18. In the case of any future pooling/amalgamation of privately owned plots, existing private roads or private lanes there in under the exclusive right of such plot owners may also be allowed for inclusion in such pooling/amalgamation, if required.
19. If different land use zones fall within a single plot, all uses permitted as per zoning regulations of such land use zones may be permitted by the Secretary in the plot. If application submitted includes any of the restricted uses and not included in such permitted uses, the Secretary shall issue permit with the concurrence of the Town Planner/Chief Town Planner, as the case may be. However, for the part of the plot which comes under 'Area Reserved for Pond' and 'Area Reserved for Proposed Roads and Widening of Existing Roads', this provision shall not be applicable.
20. For all commercial buildings in Area Reserved for Commercial Use with floor area more than 1000m<sup>2</sup> shall be provided with at least one segregated toilet each for male, female and differently-abled persons, designated exclusively for public use, located in a prominent position with external accessibility, from among the mandatory sanitation facilities as per the applicable KMBR regulations.

21. Large Scale development proposals in an area not less than 1 hectare, exceeding an investment of Rs.100 crores, which provide direct employment (after commissioning of the project) to the tune of not less than 100 persons may be permitted in any zone (if not otherwise permitted by the Zoning Regulation), subject to the recommendation of a committee with the Principal Secretary, Local Self Government Department as chairman, consisting of the Director, Local Self Government Department (Urban), the Chief Town Planner (Convener), Town Planner, and the Secretary, Kozhikode Corporation as members and satisfying the following conditions
- a) The developer shall produce a project cum feasibility report and environmental impact assessment report, if required, of the project to the convener of the committee, 15 days in advance of the committee meeting.
  - b) The developer shall produce before the committee, all required clearances from the State and Central Government agencies concerned.
  - c) Adequate provision shall be made for supporting infrastructure such as water supply, Sewerage, Solid Waste Management, etc. Separate sewage treatment plant and solid waste management measures shall be provided and maintained by the developer at his /her cost.
  - d) Adequate Memorandum of Understanding between the developer and the Secretary of Kozhikode Municipal Corporation concerned shall be undertaken to bring this into effect.
  - e) Minimum access width shall be 12 metres.
  - f) The project shall be completed within a period of 5 years or as decided by the committee.
22. Only the existing areas under Public and Semi Public uses are intended to be included under Public and Semi Public Zone. If any private property put under uses other than those permitted or restricted in the above zones has got included within such zones, the Secretary may, with the concurrence of the Town Planner, after verification of the relevant records, ownership documents and surrounding developments, accord sanction for development by adopting the regulations of area reserved for commercial zone in the proposed land use map, subject to the provisions as per applicable Acts, Rules and Government orders in force.

23. The Government shall have powers, if any doubt arises with regard to the interpretation or otherwise of any provisions or if any difficulty arises in the implementation of any provision, to clarify the doubt or to issue necessary direction to removing the difficulty.

12	Multiplex complex J	2.3	3.0	3.0	4.0	3.0	5.0

Note 1: The above FSI values in Column (5) to (6) and (7) to (8) shall also applicable for constructions in plots formed by amalgamation of

different contiguous plots even under different ownerships, totaling land area more than 400 sq.m and 1000 sq.m respectively. In such cases, joint application shall be submitted as per rule 6(15) of KMBR or its subsequent amendments.

Note : 2 Additional FSI as per column (4), (6) as well as (8) may be permissible on payment of fee of Rs 5000 per sq. meter for the additional area provided in excess of FSI values as per column (3),(5)&(7) respectively.

Note : 3 In the case of a multiple occupancy building as well as a group of buildings within a plot other than Group G2, I and J occupancies as defined in KMBR, the maximum permissible Floor Space Index shall be the weighted average of the Floor Space Index under the respective occupancies as prescribed under prevailing KMBR;

Note : 4. For applications falling under Chapter VI - Constructions in small plots, Chapter VII - Row buildings, Chapter VIII - Building construction under approved schemes, Chapter X - Construction in plots part of which have been surrendered free of cost for road development, Chapter XVIII - Telecommunication towers, the FSI provisions shall be governed by respective provisions of the prevailing KMBR.

3. For new construction and reconstruction in plot of area 400 sq.m or more, facing street(s) for which building line is prescribed under this scheme, the covered area is defined by such building line(s) and mandatory yards/ setbacks prescribed in KMBR for other sides of the plot. In such cases, coverage restrictions as per prevailing KMBR shall not be applicable.

Note : 1 This provision shall also be applicable for the development of plots formed by amalgamation of different contiguous plots, even under different ownerships totaling land area 400 Sqm or more. In such cases, joint application shall be submitted as per rule 6(15)of KMBR 2019 or its subsequent amendments.

4. The following regulations shall be applicable to all future constructions in plots abutting higher order streets (24m proposed RoW) or streets through which metro line is aligned;

- i. Such street-facing constructions shall follow the building line prescribed in the scheme map irrespective of setbacks prescribed in KMBR for that yard. However, pulling back of setbacks of floors beyond the first two floors from ground level may also be permitted.
- ii. To provide active street frontage, at least the street facing portion in Ground floor of any street-facing building shall be under Group E-Office and/or Group F-Mercantile/Commercial and/or Group J- Multiplex Complex occupancies of KMBR in force, which fall under uses permitted or restricted under this zone. (Exception that may be allowed: Hotels, Tourist Homes under Group A2- Lodging Houses and Special Residential, Group B- Educational, Group C- Medical/Hospital and Group D-Assembly occupancies as per KMBR in force).
- iii. Up to 60% of the mandatory off-street car parking requirement (in number) as per KMBR, can be provided as mechanized parking.  
Provided that, up to 75% of the mandatory off-street car parking requirement as per KMBR, can be provided as mechanized parking, if off street parking is completely avoided in the yard abutting such street of the street facing building. (Exception that may be allowed: Off street parking exclusively for differently abled as provided in the Kerala Municipality Building Rules).
- iv. There shall be no compound wall in the street facing yards, except for buildings under Group A1 – Residential, Group B- Educational and Group C- Medical/Hospital, where the compound wall may be permitted subject to the following conditions:
  - a) The compound wall can be 100% opaque only up to a maximum height of 0.6m from the adjoining road or footpath level.
  - b) The maximum height of compound wall shall not exceed 1.2m
  - c) A minimum of 50% transparency shall be assured between 0.6m to 1.2m height of compound wall.

#### **4.7. ACQUISITION OF LANDS**

Any land in the area required for the purpose of the scheme may be acquired by purchase, exchange or otherwise by the responsible authority at any time subject to the provisions of the Act and without prejudice to the interests of the scheme.

#### 4.8. BUILDING LINES AND OPEN YARDS

1. The building line in respect of all the proposed roads and streets proposed for widening shall be as specified in **Table 4.3** below.

**Table 4.3 Building line for roads**

Type of Road	Width (m)	Building Line (m)
A	24	5.00
B	18	5.0 for Link Road (B2-B2) and 3.0 for others
C	12	3.0
D	10	3.0
E	7	3.0
F	5	3.0

2. Boundary walls or fences alone shall be permitted to erect in the space between the building line and the edge of the adjacent street. In TOD zones, the provisions in regulation No: 4.6.3.4(iv) with respect to compound walls shall be complied.

3. Height of boundary wall or fence erected between the building line and edge of the adjacent street shall not be greater than 2 m measured from the level at the center line of such street. Provided also where the level of the compound is higher than that of the street, this height may be exceeded so as to have a height of 1m above the ground level of the plot.

4. Open space requirement of a building shall be in conformity with KMBR in force unless otherwise provided for in the scheme.

#### 4.9. PROHIBITION OF BUILDING IN UNHEALTHY SITES

With a view to prevent contamination of water sources and channels due to existence of sewage tanks and pumping stations, treatment plants or insanitary or low-lying lands, the responsible authority may refuse to sanction any building within portions of the area, in the vicinity of which, in his/her opinion the construction of building would be objectionable.

#### 4.10. STREET VENDING

The study of the street vending activity in the scheme area has revealed that the concentration of vending activity is high at Railway Station Link Road, Palayam, Deever Hotel Junction, Kammathi Lane etc., and it often poses a hindrance to the pedestrian and vehicular traffic. There is a need to regularize the street vending activity in order to ensure smooth flow of pedestrian/vehicular traffic as well as to maintain cleanliness and public hygiene.

Vending zones in the scheme area shall be as per the recommendations of the Town Vending Committee constituted as per the Protection of livelihood and regulation of street vending Act, 2014.

#### 4.11. DRAINAGES

Sufficient means of effectual drainage and discharge of sewage shall be provided in every private street by the owners or occupiers of sites abutting thereof and every site and building shall be provided with suitable drains leading there from to the nearest street drains. All the sullage water shall be disposed of in such a way as to prevent it from running on to or stagnating on adjacent streets. It may be used for watering gardens and compounds if no nuisance is erected thereby or allowed to flow into drains or channels on it having previously been treated sanitarily in the manner required by the responsible authority.

#### 4.12. PENALTY

Any person who commits or knowingly permits a breach of any of the provisions of the Scheme or who neglects or fails to comply with any of the provisions of the Scheme or any orders, conditions, proceedings, restrictions, limitations, or terms made or imposed under or in pursuance of any of the provisions of the Scheme, the rules or the Act shall on conviction be punished in accordance with section 68 of the Kerala Town and Country Planning Act and provisions under Kerala Municipality Building Rule.
